

Money Talks

**50 money conversations
every woman should have**

Instructions

Best played with 2-5 people - so invite your friends, partner or Bumble matches on a money date. Once you have drinks in hand and snacks on the table, set the ground rules: There are no right or wrong answers - curiosity and vulnerability are welcome, but leave judgement at the door:

- Choose a random card.
- Answer the question yourself, then throw it to everyone else
- Let the conversation flow, and choose another card whenever you like.
